Education

London Metropolitan University *Sep 2023 – Sep 2026*
BS in Computing with Artificial Intelligence
- GPA: 3.7/4.0
- **Coursework:** Programming (Java), Computing (Python), Databases (SQL), Data Science (Pandas), Calculus I–IV, Robotics

Projects

Shaadi Mitra *Github* ↗
Tools Used: HTML, CSS, JavaScript, JSP, MySQL, RESTAPI
- Developed a matchmaking web app with a modern swipe-based UI using JSP and REST API.
- Designed intuitive frontend and robust backend for user connections.
- Integrated phpMyAdmin for backend management.

Samrakshana *Github* ↗
Tools Used: HTML, CSS, JavaScript, Leaflet.js, Firebase
- Built a full-stack platform to digitally map and preserve Nepal's cultural heritage.
- Designed interactive geolocation maps and Firebase backend.

YouTube ReCapQuiz *Github* ↗ *Web Store* ↗
Tools Used: HTML, CSS, JavaScript, FastAPI, Chrome Extension API
- Built a Chrome extension that generates AI-powered quizzes from watched YouTube content.
- Integrated Gemini 2.5 Flash model with YouTube interface for interactive learning.

Experience

Teaching Experience

Tutor *Feb 2022 – Sep 2023*
MeroSikshya Learning App
- Tutored 30 A-Level students.
- Subjects: **Maths** (Calculus, Stats), **Physics**, **Computer Science** (Python, algorithms).

Debate Trainer *Apr 2023 – Present*
Debate Network Nepal
- Trained 100+ students in **WSDC** and **British Parliament** formats.
- Taught critical thinking, persuasion, and public speaking.

Technical Experience

Student Researcher *Aug 2022 – Nov 2022*
Incubate Nepal
- Built an interactive mapping app for 300+ heritage sites across 50 districts.
- Led full-stack dev and geolocation database creation.

Management Experience

Deputy Head of Operations   *Jan 2023 – Apr 2023*
Debate Network Nepal
  ○ Organized national debate tournaments, boosting participants by 60%.
  ○ Contributed 55% of sponsorship and managed logistics for 300+ attendees.

Club Coordination Member   *Apr 2023 – Sep 2023*
Smart Club
  ○ Ran Toastmasters-style sessions and managed social media (grew by 30–40%).
  ○ Supported member engagement and growth.
